

IX International Ringo in Minsk - Review

6-7 November 2010

Belarusian Ringo Federation has held 9th time an International Ringo Tournament.

73 participants from different parts of Belarus and Poland arrived to Minsk.

2 days of competitions in single and mixed three disciplines.

11 years – the youngest player, **76** – the oldest.

It should be said that open category (19-35 years) was presented with lot of real professionals and masters. Belarusian Ringo Federation wants to thank Polish side for coming with 5 open category players. This was really high level tournament.

Games were held on 4 playgrounds in Minsk (one playground for each category). On Saturday 8 hours were spent in hot battles. Some results were really unexpected. Polish team was the best one, gold medal in each category, where their players were participating. Belarusian side hopes to take revenge next year.

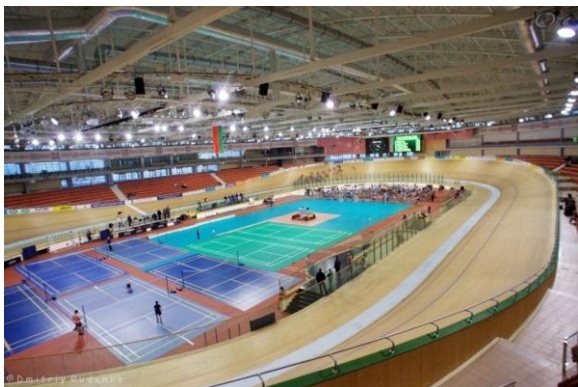

Lot of people considered organization of this tournament as the best of last 9 years. This year we were able to produce lot of printed materials and fine prizes for winners. It's nice to see that lot of people start to help us in organization.

On 6 November 2010 Belarusian Ringo Federation celebrated 1 year of existence. This one year helped us to build ranking system, national championship calendar; we were able to officially represent game with ring to Belarusian TV and government.
